

BizM00C featured in the OpenUpEd Trend Report 2018

The 2018 OpenupEd Trend Report on M00Cs presents the latest innovations and developments in M00Cs from a European perspective. M00Cs, and open education in general, are providing new learning opportunities for millions of people. Investments in and the uptake of M00Cs are more and more significant worldwide. The article “Corporate M00C Trends” is built on various BizM00C findings and outcomes – check it out here:
