

Exciting News! Our paper "*Flexible, self-directed and bottom-up: Are employees overtaking their Human Resource departments with MOOCs?*" based on BizMOOC research outcomes has been accepted at [Learning with MOOCs 2018](#) taking place between 26th and 28th of September in Madrid! Three BizMOOC partners (FH Joanneum, HPI & EADTU) will be there to present and discuss our project findings – see you there as well?
