Guidelines

Needs and gaps

State of the Art

To produce a PDF version of the full MOOC BOOK with one click, go [here](#).

Already using MOOCs? How can businesses or citizens benefit from MOOCs? Who uses MOOC and why?

- **Receive guidelines, recommendations and good practice how to apply MOOCs;**
- **Learn about opportunities for the use of MOOCs;**
- **Find out more about the potential of MOOC for enabling collaboration between business and higher education;**
- **Review and contribute to a range of briefing papers;**
- **Discuss hot topics such as quality, business models or certification.**

How to use?

Use the menu bar to the right to navigate through the chapters;

To comment, click on the “+”-icon which pops up when scrolling over each paragraph; we will consider all your feedback and inputs for MOOC BOOK Version 2.0; you do not have to enter your website and e-mail address (however, it would

be great to connect);

To produce a PDF of the full MOOC BOOK, click on the first PDF symbol displayed at the top of each chapter;

To produce a PDF of one chapter, click on the second PDF symbol displayed at the top of the respective chapter;

To print, click on the printing symbol displayed at the top of the respective chapter.

The MOOC BOOK is realized under the umbrella of the EU-funded project “BizMOOC – Knowledge Alliance to enable a European-wide exploitation of the potential of MOOCs for the world of business” (Erasmus+ / Key Action 2 / Knowledge Alliance;562286-EPP-1-2015-1-AT-EPPKA2-KA).
