

BizM00C at EM00C2017 conference

Christian Friedl, Darco Jansen and Thomas Staubitz attended the EM00C2017 conference last week in Madrid, the largest European summit on M00Cs. BizM00C and its M00C B00K was presented as a keynote to the session “M00Cs for companies”.

We received very positive and valuable feedback in encouraging discussions throughout the whole event.
