

BizM00C at the Knowledge Alliance Kick-Off in Brussels

On 17 February 2016, the 10 selected Knowledge Alliances of the 2015 Call round have been invited to the EACEA premises in Brussels to present their project, Dissemination activities, impact measurement, and collaboration opportunities as well to learn more about the policy context, reporting and audit requirements of the funding programme. BizM00C has been represented by Christian Friedl, the project Manager of the coordinator's Institution, FH JOANNEUM – University of Applied Sciences Graz.
