

# IRI2016 – and BizM00C was there

## Austrian results of the BizM00C survey presented

**“Potentials and Barriers of M00Cs for Higher Education Institutions – The case of Austrian HEIs”** is the name of a publication based on a data extract of the BizM00C survey results. The paper was elaborated by **Anita Macek** and **Christian Friedl** of FH JOANNEUM and presented at the IRI 2016 conference in Budapest on 27<sup>th</sup> of November 2016. A follow-up publication is currently in preparation.

We will keep you updated.
