MOOC BOOK 1.0 (old version)

NOTE: This is version 1.0 of the MOOC BOOK, for the new version please go to www.mooc-book.eu

Welcome, add your insights, become part of the community and contribute to the resource.

To produce a PDF version of the full MOOC BOOK with one click, go here (removed, old version).

Already using MOOCs? How can businesses or citizens benefit from MOOCs? Who uses MOOC and why?

- Receive guidelines, recommendations and good practice how to apply MOOCs;
- Learn about opportunities for the use of MOOCs;
- Find out more about the potential of MOOC for enabling collaboration between business and higher education;

Review and contribute to a range of briefing papers;

- **Discuss hot topics such as quality, business models or certification.**

How to use?

Use the menu bar to the right to navigate through the chapters;

To comment, click on the "+"-icon which pops up when scrolling over each paragraph; we will consider all your feedback and inputs for MOOC BOOK Version 2.0; you do not have to enter your website and e-mail address (however, it would be great to connect);

To produce a PDF of the full MOOC BOOK, click on the first PDF symbol displayed at the top of each chapter;

To produce a PDF of one chapter, click on the second PDF symbol displayed at the top of the respective chapter;

To print, click on the printing symbol displayed at the top of the respective chapter.

The MOOC BOOK is realized under the umbrella of the EU-funded project "BizMOOC – Knowledge Alliance to enable a European-wide exploitation of the potential of MOOCs

-

for the world of business” (Erasmus+ / Key Action 2 / Knowledge Alliance;562286-EPP-1-2015-1-AT-EPPKA2-KA).
