

M00C BOOK 1.0 (old version)

NOTE: This is version 1.0 of the M00C BOOK, for the new version please go to www.mooc-book.eu

Welcome, add your insights, become part of the community and contribute to the resource.

To produce a PDF version of the full M00C BOOK with one click, go here (removed, old version).

Already using M00Cs? How can businesses or citizens benefit from M00Cs? Who uses M00C and why?

- **Receive guidelines, recommendations and good practice how to apply M00Cs;**
- **Learn about opportunities for the use of M00Cs;**
- **Find out more about the potential of M00C for enabling collaboration between business and higher education;**

Review and contribute to a range of briefing papers;

- Discuss hot topics such as quality, business models or certification.

How to use?

Use the menu bar to the right to navigate through the chapters;

To comment, click on the “+”-icon which pops up when scrolling over each paragraph; we will consider all your feedback and inputs for M00C B00K Version 2.0; you do not have to enter your website and e-mail address (however, it would be great to connect);

To produce a PDF of the full M00C B00K, click on the first PDF symbol displayed at the top of each chapter;

To produce a PDF of one chapter, click on the second PDF symbol displayed at the top of the respective chapter;

To print, click on the printing symbol displayed at the top of the respective chapter.

The M00C B00K is realized under the umbrella of the EU-funded project “BizM00C – Knowledge Alliance to enable a European-wide exploitation of the potential of M00Cs

for the world of business” (Erasmus+ / Key Action 2 / Knowledge Alliance;562286-EPP-1-2015-1-AT-EPPKA2-KA).
