

UPGRADING BUSINESS COMPETENCE GLOBALLY FOR TODAY AND TOMORROW.

BizMOOC conference UPGRADING BUSINESS COMPETENCE GLOBALLY FOR TODAY AND TOMORROW.

We are happy to announce the final conference of the project, taking place in Cracow this November!

„Global connectivity, smart machines, and new media are just some of the drivers reshaping how we think, learn and work. New technologies and social media platforms are driving an unprecedented reorganization of how organizations produce and create value.„

For all the information and registration, click the link below. See you in Cracow!
